

HELPING THE HEALTHCARE HEROES

JFCS is committed to helping our medical professionals and their families that support them.

Everyday these heroes are on the front lines sacrificing their safety and the safety of their loved ones so they can save many lives during the Covid-19 pandemic.

We are hosting weekly supportive forums for all Medical Professionals and their families facilitated by different JFCS professionals;

Mary Boardman,
MSS Candidate

Carly Chodosh,
LSW

Sarah Waxman,
LCSW
